1.2 Broker / Introducer Declaration

DECLARATION (Please indicate)

1. Does the proposed loan meet the client's requirements and objectives? Yes No
2. I have made reasonable enquiries and based on the information provided to me by the applicant(s) the recommended product is NOT UNSUITABLE on the basis that it is consistent with the applicant(s) requirements and objectives and the applicant can comply with their financial obligations without substantial hardship
3. For interest only terms
 - a. The interest only period aligns with the applicant(s) requirements.
 - b. I have explained the following additional risks and costs of an interest only term to the applicant(s): interest only repayments will not pay off any principal during the interest only term; the repayments required to pay out the loan will increase after the interest only period ends to cover both interest and principal reductions; and the applicant(s) may pay more over the life of their loan than if there was no interest only term.
 - c. The applicant(s) is not disadvantaged by any conflict of interest in relation to any incentives or commissions that I may have received for writing this loan.
4. No conflict of interest exists between the applicant(s) and myself (e.g. the transaction is at arm's length and the applicant(s) is not a friend, partner or family member).

I declare the above information to be true and correct.

- information about fees and charges that may be payable by you to us;
- commissions that we may receive when we are acting as a credit representative;
- commissions that we may pay to third parties for introduction of business, and information about what you should do if you have a complaint or dispute regarding our services and activities.

We are required to provide this document to you as soon as practicable after it becomes apparent that we are likely to provide credit assistance to you. We provide "credit assistance" when we:

1. Suggest or assist you in applying for:
 - a. a particular loan with a particular lender;
 - b. an increase to an existing loan with a particular lender; or
2. Recommend that you remain in an existing loan contract.

PRELIMINARY ASSESSMENT

Prior to providing credit assistance to you, we must assess whether the particular loan is "unsuitable". A loan will be "unsuitable" based on the information you provide to us if:

1. You will be unable to repay the proposed loan or will only be able to repay the proposed loan with substantial hardship, or
2. The proposed loan does not meet your requirements and objectives.

We are required to document our findings that the proposed loan is not unsuitable by way of completing a Preliminary Assessment. The Preliminary Assessment will set out your:

- requirements and objectives;
- financial and relevant personal situation; and
- ability to repay the proposed loan repayments.

We are also required to take reasonable steps to verify information provided by you to us. This verification may include

- requesting you for copies of documents that demonstrate your financial situation - in some cases we may also need to sight original documents; and
- contacting third parties to assist in verifying the information that you provide.

Obtaining a copy of the Preliminary Assessment

If we provide you with credit assistance, you may request a copy of our Preliminary Assessment anytime for up to 7 years and we must provide you with a copy of the assessment within the following timeframes:

Your request is made:	We will give you your assessment:
Before the Credit Day*	As soon as possible after we receive your request
Up to 2 years after the Credit Day	Within 7 business days after we receive your request
Between 2 to 7 years after the Credit Day	Within 21 business days after we receive your request

*The Credit Day is the date the credit contract (i.e. the loan) is settled or the loan amount is increased. There is no charge for requesting or receiving a copy of the Preliminary Assessment.

FEES AND CHARGES THAT ARE PAYABLE BY YOU IN RELATION TO OUR CREDIT ASSISTANCE

We may charge a fee for providing credit assistance to you. If applicable, details about those fees payable by you will be set out in a Credit Quote which we will give you prior to submitting your loan application.

Other fees and charges

You may have to pay other fees and charges (such as application fees, valuation costs and other applicable fees) to the lender or other parties. You should review the particular loan contract documentation for further details of any such fees and charges.

HOW I GET PAID

We receive income from the funders in relation to loan contracts submitted (such as home and investment property loans) for providing credit assistance by way of Net Interest Margin which is sometimes sacrificed to receive an upfront payment by the respective funder.

Net Interest Margin is calculated monthly on the outstanding loan balance and is paid in arrears.

The Net Interest Margin that we are paid by funders is not payable by you.

From time to time, I may receive a non-commission benefit by way of training, professional development, entertainment, gift, conference attendance, sponsorship, or entry into a competition run by a lender or my aggregator, at no extra cost to you. The nature of such arrangements are temporary, and the occurrence and amounts are often not readily ascertainable, however if they are apparent as a result of assisting you with credit assistance, this will be disclosed to you.
